DATE MAILED:

Please find below and/or attached an Office communication concerning this application or proceeding.

Commissioner for Patents

Applicant's Petition to Correct Inventorship under 37 CFR 1.48(b) submitted September 30, 2005 has been granted. Inventor Falco is the sole inventor in the instant application.

Any inquiry concerning this communications from the Examiner should be directed to Phuong Bui, whose telephone number 571-272-0793.

If attempts to reach the Examiner by telephone are unsuccessful, the Examiner's supervisor, Anne Marie Grunberg, can be reached at 571-272-0975.

The fax phone number for the organization where this application or proceeding is assigned, for sending official correspondence, is 571-273-8300.

Patent applicants with problems or questions regarding electronic images that can be viewed in the Patent Application Information Retrieval system (PAIR) can now contact the USPTO's Patent Electronic Business Center (Patent EBC) for assistance.

Representatives are available to answer your questions daily from 6 am to midnight (EST). The toll free number is (866) 217-9197. When calling please have your application serial or patent number, the type of document you are having an image problem with, the number of pages and the specific nature of the problem. The Patent Electronic Business Center will notify applicants of the resolution of the problem within 5-7 business days. Applicants can also check PAIR to confirm that the problem has been corrected. The USPTO's Patent Electronic Business Center is a complete service center supporting all patent business on the Internet.

The USPTO's PAIR system provides Internet-based access to patent application status and history information. It also enables applicants to view the scanned images of their own application file folder(s) as well as general patent information available to the public. Status information for published applications may be obtained from either Private PAIR or Public PAIR. Status information for unpublished applications is available through Private PAIR only. For more information about the PAIR system, see <http://pair-direct.uspto.gov>.

For all other customer support, please call the USPTO Call Center (UCC) at 800-786-9199.

Sir:

The prosecution of this application has resulted in the cancellation of claims so that less than all the originally named inventors are the actual inventors of the invention currently being claimed.

Please amend this application to delete Stephen M. Allen, J. Antoni Rafalski, William D. Hitz, Anthony John Kinney, Lynne Marie Abell and Catherine J. Thorpe as co-inventors. Stephen M. Allen, J. Antoni Rafalski, William D. Hitz, Anthony John Kinney, Lynne Marie Abell and Catherine J. Thorpe are being deleted as co-inventors for this application because their invention(s) is no longer being claimed in the application. Thus, in view of this deletion, the sole inventor will be Saverio Carl Falco.

Please charge any fees or credit any overpayment of fees which are required in connection with the filing of this Preliminary Amendment and Response to Restriction Requirement to Deposit Account No. 04-1928 (E. I. du Pont de Nemours and Company).
